

# Science for the People / March for Science Chants

## General

Science for the people, not for profit  
Science for the people, not for war

Keep your profits off my research

De-fund / military research

From the labs, to the streets  
x3  
...Solidarity!

When science is under attack, what do we do?  
Stand up, fight back!  
When (clean air, clean water, public health) is under  
attack, what do we do?...

We're gonna beat . . . back . . . the Trump attack, /  
We're gonna beat beat back, the Trump attack!

Back up, back up! / We want freedom, freedom! / Tell  
that racist bigot Trump we don't need him, need him.

Your tweets prove our thesis! / Trump is full of feces!

Trump's cuts are outrageous / Democrats will not  
save us  
People must rise up / to stop these cuts

Trump says cut back! / We say fight back!

Money for research and education! / Not for greedy  
corporations! [racist deportations, war and  
occupation, mass incarceration]

Human need / Not corporate greed!

What do we want? Evidenced-based research! /  
When do we want it? After peer review!

3 point 1, 4 / Fund science, not war! / 1,5,9,2 /  
Without science, we're all doomed!

Medicine for free / not for sale  
Martin Shkreli go to jail!

Fully fund the MTA! Tax the rich, make them pay!

## Anti-oppression

Science education is a right! / Not just for the rich and  
white!

Health care is a human right / Not just for the rich and  
white

Clean air is a right / Not just for the rich and white  
Clean water is a right / Not just for the rich and white

Black lives matter!  
Black [women, trans, immigrant] scientists matter!

{call} Our bodies, our choice! / {response} Their  
bodies, their choice!  
(this chant is broken into two parts, one people who  
could get pregnant, and one into people who cannot  
get pregnant)

Abortion is healthcare / Healthcare is a right!

Abortion rights throughout the land! / Safe, free, and  
on demand!

Racist, sexist, anti-gay,  
Donald Trump, go away!

1,2,3,4 No tech for war 5,6,7,8 Race science fuels  
hate

Not another nickel, not another dime, no more money  
for police [ICE, imperial?] crimes!

## Climate Change

No more coal, no more oil, keep your carbon in the soil

System change / not climate change

Frack Wall Street, not our water!

The planet, The planet, The planet's on fire!  
We don't need no oil let the corporations burn!

That's bullshit, get off it. The enemy is profit!  
Climate devastation will not be solved by corporations.

Exxon-Mobil, BP, Shell  
take your oil and go to hell!

Get up, get down  
Leave fossil fuels in the ground!

Hey hey, ho ho  
Scott Pruitt [Pilgrim Pipeline, racist science, tech bros, ICE] has got to go!

The pipeline...will fail / Our planet...is not for sale.

Tar sands kill, pipelines spill

Hey Pruitt, just face it! / Your cuts are racist!

No more subsidies  
For fossil fuel companies

## Worker/Education Solidarity

Adjunct pay is outrageous  
We can't survive on poverty wages!

We oppose automation / in the hands of corporations  
cutting workers for a drone / cutting wages to the bone  
liberate technology / make it public, make it free

We support, public education  
We support, striking teachers  
We support, grad workers

When education is under attack, what do we do?  
Stand up, fight back!

What's the next step in this fight? We have the power  
to strike, strike, strike!
